SUMMARY: Recent Games & Emerging Media graduate with a UX Design minor and experience creating interactive prototypes, game UI systems, and user centered digital experiences. Skilled in Figma, wireframing, usability testing, and interaction design

EDUCATION

Marist University - Poughkeepsie, NY

Bachelor of Science (Cum Laude), May 2026

Major: Games & Emerging Media, *Minor:* UX Design, *Concentration:* Design, Writing & Culture

Honors/Awards: Dean's List 3 semesters

Cumulative GPA: 3.4

COMPUTER SKILLS

Design Tools: Figma, Adobe Photoshop, Adobe Illustrator, Godot, Unity

Core Skills: UI/UX Design, Wireframing, Prototyping, Usability Testing, Information Architecture, User Flows, Responsive Layout Design

SELECTED PROJECTS

Capping UI System: Designed and implemented the puzzle-solving user interface, improving clarity and accessibility for player interactions. Developed the game's main menu and screen UI, creating a cohesive visual experience that aligned with the game's 2D-3D puzzle-adventure aesthetic. Conducted quality assurance testing by identifying, documenting, and verifying bugs across gameplay and UI systems.

Campus App UI: Designed a mobile app interface to improve student navigation of campus resources. Structured information architecture to reduce friction in accessing key services. This prototype was developed in Figma and presented to a campus board to show ways to improve quality of life on campus.

WORK HISTORY

Five Star Electric – Port Washington, NY

Intern, 12/2025 - 01/2026, Summer 05/2024-08/2024, Summer 05/2025-08/25

- Handled secure disposal of sensitive construction documents, maintaining confidentiality standards
- Supported warehouse operations and organization of archived materials

Oasis Day Camp – Brookville, NY

Camp Counselor, 06/2024 - 08/2024

- Managed dynamic situations requiring rapid decision-making and user-focused problem solving
- Led group activities while adapting to real-time feedback, strengthening communication and facilitation skills

LEADERSHIP/ACTIVITIES

Floor Manager, Marist Club Television (MCTV), October 2023 - May 2026

- Coordinated with production teams, facilitating communication between crew members to maintain efficient workflows

Mentor, Marist University Office of Accommodations A.I.M. Program, August 2024 - May 2026

- Mentored students with learning disabilities, helping them acclimate to university life and resources
- Coordinated and supported events to encourage student engagement and community building
